FINANCIAL SUMMARY INSTRUCTIONS

For ease of accounting, the Financial Summary (page 3 of the DPR 973) is designed to be consistent with the Year 2001 version of IRS Form 990 (990). Although most lines of the summary are self-explanatory, some are not. The instructions below provide cross-references to corresponding line items on the 990. If more explanation is needed, consult the applicable 990 reference in the IRS publication, *Instructions for Form 990*, or contact the Cooperating Associations Program Manager.

Income

- **Line 1. Contributions, gifts, grants, donations** [990, line 1d]: Report amounts received as voluntary contributions, i.e., payments or the part of any payment, for which the payer (donor) does not receive retail value from the organization.
- **Line 2. Program service/interpretive events** [990, line 2]: Enter the total of program service and interpretive event revenue. Program services are primarily those services that form the basis of an organization's exemption from federal and state tax. Program service revenue includes income earned by providing or funding the department with an educational or interpretive service, facility, product, or program that benefited the public and/or the department.

Program service revenue typically includes revenue from admissions to interpretive and educational special events or programs, seminar fees, fees for interpretive activities, fees paid by the public to the association through special arrangements, royalties received for authoring educational publications, or grants from other agencies to provide interpretive and educational services.

Program service revenue is not income obtained via fundraising events and campaigns, raffles, dinners, grant solicitation, contributions, interest income, membership dues, or sales income. If the function of an event, activity, or program is primarily to generate income for the organization and has little or no interpretive or educational value, it is not a program service and should be reported elsewhere on the form.

- **Line 3. Membership dues** [990, line 3]: Enter member and affiliate dues and assessments that are not contributions.
- **Line 4. Interest and investments** [990, lines 4 & 5]: Enter the amount of interest/dividend income from savings and investments.
- **Lines 5a. through 5c. Fundraising events** [990, lines 9a through 9c]: Enter the gross revenue, expenses and net income (or loss) from all fundraising special events/activities such as raffles, dinners, dances, and other fundraisers. [The sole or primary purpose of fundraising events is to raise funds (other than contributions) to finance the organization's exempt activities. Unlike interpretive events, fundraising events only incidentally accomplish an exempt charitable purpose.]
- **Lines 6a. through 6c. Income from sale of inventory** [990, lines 10a through 10c]: Enter the gross sales (less returns and allowances), cost of goods sold, and gross profit from the sale of inventory items.

(Financial Summary Instructions continued on reverse.)

- **Line 7. Other** [990, line 11]: Enter the total income from all sources not covered by Lines 1 through 6, and briefly describe the types of income included in this total. *Caution: Transfers from savings or investment accounts to checking accounts are not income. Such transfers are reflected in a statement of financial position as a reduction in net assets, but are not considered income.*
- **Line 8. Total Net Revenue** [990, line 12]: Enter the total of the indicated Lines.
- **Line 9 Gross Income** [990, line L]: Enter the total of the indicated Lines.

Expenses

- **Line 10. Program services** [990, line 13]: Enter the total of program service and interpretive event expenses. Include expenses for: (a) grants and donations to the DPR Contingent Fund, (b) state park staff and/or volunteer scholarships or training, (c) state park visitor center and exhibit design, construction, and improvements, (d) interpretive events, seminars, and programs in state parks, (e) publications, and (f) other activities furthering the organization's charitable purpose of supporting interpretation and education in California State Parks.
- **Line 11. Management and general** [990, line 14]: Enter the total expenses for the organization's overall management and administration. Overall management includes salaries and expenses of the chief organization officers, staff and committees, accounting services, and general liability insurance.
- **Line 12. Fundraising/solicitation** [990, line 15]: Enter the total expenses for soliciting contributions, gifts, and grants. These expenses include allocable overhead costs incurred in: (a) publicizing and conducting fundraising campaigns, (b) soliciting bequests and grants, (c) preparing and distributing fundraising manuals, instructions, and other materials, and (d) soliciting for fundraising events that generate contributions reportable on Line 1.
- **Line 13. Other** [990, line 16]: Enter the total of all expenses not recorded on Lines 10, 11, and 12, and briefly describe the types of expenses included in this total.
- **Line 14. Total Expenses** [990, line 17]: Enter the total of the indicated Lines.
- **Line 15. Excess (or deficit) for the year** [990, line 18]: Enter the total of the indicated Lines.
